I was planning to tell her because it's part of an on-going investigation we can't discuss, but wasn't sure if she came back with 'how is this part of the current case' how I would answer.

Does the team know this victim? Does she show up in Sentinel?

[REDACTED]
The 2006-2007 reference may be because [REDACTED] interviewed her as part of their investigation.

Hello,

My name is Mirna and I'm contacting you from CNN in New York.

We've seen reports that a [REDACTED] who says she was sexually assaulted by Jeffrey Epstein in 1996, reported her assault to the FBI in 1996. Can you please verify this document's existence? Please find below excerpts from the Miami Herald alleging the existence of this report:

- A new victim has gone public in the Jeffrey Epstein case, filing a sworn affidavit in federal court in New York Tuesday, saying that she was sexually assaulted and her then-15-year-old sister molested by Epstein and his companion, Ghislaine Maxwell, in 1996.

[REDACTED] then 26, claims that she was employed by Epstein, a multimillionaire financier who lived in a vast mansion on New York's Upper East Side, and that she frequently saw "school-age girls" wearing uniforms come into the mansion and go upstairs. She was told that the girls were auditioning for modeling work, according to her affidavit.

Then an art student in New York, [REDACTED] said she reported her assault to New York police and the FBI in 1996. FBI documents released April 1 make a reference to [REDACTED] having been interviewed in 2006 or 2007.

Thank you and I look forward to hearing back from you.
