Hey ████,

I hope you're having a nice Saturday. I meant to touch base with you last night but forgot. I'm happy to continue with this on Monday but I'm hosting out of town guests this weekend so can't make calls today and tomorrow. I know you have a short turn around for the leads and I'm sorry I'm not avalaible to do more this weekend.

Good evening,

Attached is the most recent spreadsheet. I will continue updating the hotline tracker on Monday.

Have a great weekend!
