We're going to execute around 10 or 11am, should take a few hours. We are good with manpower if you need to bail out.

Ok. How long do you expect to be there?

I will have to run down to EDNY to swear out a warrant at some point. Should I ask for a late meet with the Judge..around 6pm?

We may need to execute another search warrant at Epstein's residence tomorrow for digital media and computer equipment. Most of my squad is in Florida interviewing victims, can you each canvass your squads to see who would be available to assist?
