We followed up on the [REDACTED] matter, she was an employee of Epstein's in the 1990s when she was in her 20s. The attorney was looking for any and all documentation regarding [REDACTED] 1996 complaint and her 2006 interview. We can't find any documentation regarding a complaint nor could we find a 302 for [REDACTED]. We only found an EC requesting travel authority to go to North Carolina to interview her and Austin to interview her sister, [REDACTED]. There is only a 302 for [REDACTED]. [REDACTED] is 50yo so they probably came to the conclusion that any victimization was outside the statute of limitations. Her younger sister, [REDACTED], was interviewed in the MM case back in 2006 and as per the 302 she advised in the 90's she went to the ranch in New Mexico and "cuddled" with Epstein, and Maxwell allegedly rubbed her breasts during a massage. Neither [REDACTED] nor [REDACTED] were pursued any further. We told the attorney she would have to seek any relevant documentation through the official FOIPA process, which would be handled by Miami as she is only mentioned in their case.
