[REDACTED],

Attached are the TECS records I created to track any international crossing that your SOI pops up for. If/when I get a hit that he is traveling in, I will call you right away. Is [REDACTED] the best number to reach you off hours?

I am copying in [REDACTED], my counterpart here at JFK and [REDACTED] my counterpart at Newark. [REDACTED] would be the best point of contact for us to coordinate with if he flies into Teterboro.
