Yes [REDACTED], we are in touch with Boston, Lowell RA. We have a solid mobile number we're pretty sure is being used by Maxwell. We're going to get a GPS warrant and hopefully the phone will be pinging up there in Mass. As soon as we are sure we'll effect the arrest w Lowell RA.

FYI, we briefed the ADIC this afternoon and he's going to reach out to the U.S. Attorney SDNY to discuss. SDNY is pushing to indict Monday 6/29, I will keep you posted.
