I miss those days too brother, FYI [REDACTED] still wears that old rain coat. No worries unless there's anything we need to know, the case is getting more attention in Europe now than here. Hope all is well buddy.

Gents,
Do you have any information regarding the inquiry below? The media is reporting "anonymous FBI agent at the American embassy in Stockholm" claims the FBI is interested in the Crown Princess and another Norwegian citizen. Certainly if anyone in Norway has pertinent information regarding the case we would be interested, however, we are unaware of any current interest in Norway. Let me know if anything comes up.

Subject: Question about Jeffrey Epstein and [REDACTED]

To whom it may concern,
I'm contacting you on behalf of VG, Norway's biggest newspaper, to enquire about a quote which is attributed to an anonymous FBI agent at the American embassy in Stockholm. According to the Norwegian newspaper [Dagbladet/Se og Hør](#), the FBI agent says: "FBI wants to speak with [REDACTED]. We're still trying to trace information about Epstein".

According to flight logs [REDACTED] travelled with Jeffrey Epstein's private jet several times, and we're wondering if it is correct that the FBI wants to speak with [REDACTED] in connection to Epstein? If so: Why? What information are you hoping to discover? Have you already contacted [REDACTED]? Are there any other Norwegian citizens or residents you wish to contact? Has there been any contact between the FBI or other American agencies and the Norwegian government, Norwegian Police Security Service or other agencies concerning Jeffrey Epstein, [REDACTED] or Crown Princess Mette-Marit?

If you could please get back to me at your earliest convenience, I would greatly appreciate it.

Best regards
