To whom it may concern,

I've read that the FBI are preparing to issue arrest warrants with co-conspirators in relation to the Jeffrey Epstein case. Can you confirm if any arrest warrants have been (a) issued and (b) enacted?

This is for a UK broadcast, embargo of 16<sup>th</sup> December.

Many thanks

Laura

No problem Laura, we understand. You're more than welcome to check back in periodically to this mailbox: [npo@fbi.gov](mailto:npo@fbi.gov) and someone will respond back to you. We don't have a regular media distro list that we push out information through, though.

Best,

No problem I entirely understand.

I suspect I will continue to bother you as weeks progress though!

Can I check if there is a mailing list for any updates to media on the enquiry? And if so can I please be added to it?

Many thanks,

Laura

Many thanks for the response,

Might you be able to be in a position to do a background briefing on any of this by December?

We are considering pushing broadcast to January and anticipate things might change regarding the investigation by then. Any background you can give us later in November or December -entirely confidentially would be brilliant.

Laura

To whom it may concern,

I am producing a documentary which will broadcast in the UK on the 9<sup>th</sup> December 2019.  
I am currently filming and so require ongoing updates as to the FBI's investigation into Jeffrey Epstein and associates.

May I please get an update as to the current status of the investigation? Including the following details:

1. Is the investigation continuing?
2. Are British authorities cooperating with this investigation?
3. Have you (to date) contacted Buckingham palace or the British consulate in relation to Prince Andrew, the Duke of York?

EFTA00148079

**DEADLINE FOR THESE THREE QUESTIONS IS FRIDAY 1PM (NY TIME)**

---

4. Can you confirm that you have (a) recovered and (b) are analysing a library of images and videos from Jeffrey Epstein's homes?
5. Can you confirm that Prince Andrew / Duke of York is present in those image files.

**DEADLINE FOR QUESTIONS 4 AND 5 - IS MONDAY 12:30PM NY TIME.**

Obviously, if you can answer all five questions by tomorrow I would appreciate that.

This is not for publication / broadcast yet - there is an embargo of December 2nd on anything you tell me here.

Do please let me know if you need me to refine these questions in any way.
