ABC News Plans Special Reports on Jeffrey Epstein – Variety

[REDACTED], looks like this is scheduled for 1/9. Do you know where SDNY stands on the arrests of Maxwell and [REDACTED]? I believe the arrests should happen before the story airs or else we run the risk of losing credibility with the victims. If we wait until after, it would look like we were just reacting to the story.

If SDNY needs to get pressed, I can engage [REDACTED] and [REDACTED]. Just let me know.
