Hi [REDACTED] - please see below.

The total of number of Victims that have been spoken to and offered services to date is 24 (17 New York, 7 Miami). We are in the process of speaking to and coordinating services for 5 more. Two of these is in Miami, one NY and the other two are on the west coast and trying to coordinate with VS and attorney.

Services include interview assistance, crisis counseling, talking to the media info, and counseling referrals.

[REDACTED] - let me know if you want more specific information.

[REDACTED],

For the weekly Epstein SAR I'm going to need the following:

1. How many victims total has VSD (NY, Miami, etc.) spoken with?
2. What types of services were the victims offered?
3. How many victims have accepted services?
4. Are we in the process of trying to arrange services for any victims?

We will need to update this SAR report every week.

Thanks,
