They are talking about the MLAT request that was submitted back in April. Nothing new here. I will reach out to the case agents and get the latest status. I have not heard from SDNY, as far as I know they are still reviewing digital evidence.

Hey Sean,

I am sure this will lead to some questions, any update on this and more generally on the investigation? I know SDNY planned on speaking with the USA a week or so ago, I have not heard anything from [REDACTED] or [REDACTED]
