[REDACTED] - it sounds like she is going to request 302s/ documentation that the applicant met with the case agents; what [REDACTED] and [REDACTED] had requested. I can follow up after but just wanted to give you a heads up.

If you're only going to be discussing victim services then I don't think it's necessary for us to be on the call we can follow up after. Thanks [REDACTED]

Hi everyone - [REDACTED] just called me and told me that they spoke to [REDACTED] today about the claim applications. [REDACTED] told me that [REDACTED] requested the call with [REDACTED] and I to discuss victim assistance in addition to request documentation regarding victim statements/ letters for the applications.

[REDACTED] & [REDACTED] - I dont know if you want to be on this call to address this; or we can follow up after our call at 1pm. Let me know your thoughts.

Thanks
