We were looking to quietly make efforts to put Ms. Maxwell in pocket, based on the information below we believe she may be in your AOR. It appears right now we are still several weeks away from any action on her so this is not a priority, we have a silent hit on her in TECS, Just looking to keep an eye on her location for when we need to grab her.

Thanks,

As a follow-up to our telcal yesterday, I would like to introduce you to A/SSA [REDACTED] from our Crimes Against Children squad (CCed above). Given the nature of your case, this squad seems a better fit than Public Corruption/Civil Rights, to assist you as the need arises. I briefed him on what transpired a few weeks ago and our discussion yesterday. Feel free to go direct with him, he is standing -by. I also advised that he may hear from an SA from your squad as well.

Good luck with your investigation,
[REDACTED]

Can you give me a call when you get a chance, we need to nail down Maxwell's location and I wanted to see if she was still up there.

Thanks

I was updated A/ASAC [REDACTED] and SSA [REDACTED] on the info we received from Manchester-by-the-Sea regarding Maxwell's potential presence there and was asked to address this. I have a call in to the Detective who reported to us initially to obtain more accurate information.

When you have a moment as I imagine you are quite busy, I would like to touch base with to determine how we can best assist you, to include determining if in fact she is here and any follow-on action as you deem appropriate.

I can be reached via the below.
