Just wanted to give you a heads-up, she's done another interview with Savannah Guthrie, in it she's said the following: 1) She was interviewed by FBI in 2011 by a [REDACTED], in the interview she gave the names of all the girls she helped to traffic; (2) she was also interviewed by SDNY (no timeframe); (3) two other women also tell DOJ that Epstein specifically trafficked them to "other men"; and (4) there are cameras in the NYC house and others where he could watch people in bathrooms and elsewhere.

They plan to air it on "Today" and this Friday's "Dateline."

Hope that's helpful.
