Hey all, can you plan to come to sdny at 0930 and hang in the lobby to greet vics. We are gonna escort them over the bridge. Courtroom opens at 10. Vics should have reserved seating. AUSAs will come down to escort over.

Also, if someone could grab a case of water. We will reimburse.

Subject: Tomorrow - Epstein hearing

Hi all,

Thanks for volunteering to help tomorrow. As of right now, if people could be on standby around 9:30/10 to help with victims. Some victims will be meeting at SDNY before the hearing so we may need some help corralling them and getting them to the courthouse without the press. I'd say for now to hang around 290 and I should have a better idea in the morning.

Also, I'm sorry to ask, but please be in a suit tomorrow. This is coming from the higher ups.

Thanks again!
