Hi [REDACTED],

Hope all is well up in the NYO. The Palm Beach Sheriff's Office received the below anonymous tip yesterday, so I wanted to forward to your attention in the event any of the names mean anything to you. I seem to recall the name Podesta, and speaking to an Agent out of New Haven about it, but I'm not recalling the details right now. Anyway, let me know if we can help out any further on this. If not, I thought maybe there's an FD-71 subfile in your case for this.

Thanks,

Description of Activity:

There is a good chance that Palm Beach resident Geoff Podesta Darnell is involved in human trafficking with Epstein. Federal employee Ann Goubeaux in Green Bay, Wisconsin told me how her husband Nelson Goubeaux is related to the Baeb family and Podesta family and that they are involved in trafficking small children for sex specifically. A quick background check on Nelson reveals that he had his name changed from Nelson E Pod. The Baeb family, Pod family and the Podesta families all appear to originate out of Chicago. I noticed Geoff Podesta Darnell is friends with people in Green Bay as well. Also, Ann and Nelson got a divorce and put their house up for sale at [REDACTED] Green Bay, WI. Pictures of the home online reveal that the main bathroom is decorated for children, but Ann and Nelson never had any children. It is my understanding that this is continuing on well passed the death of Epstein and arrest of Ghislaine Maxwell. Please look into this.
