Re: HLA typing

Dear KASHI team,

Mr Taicher Ariel needs allogeneic stem cell transplantation as a life saving procedure.

He has siblings (potential donors)

Results of his sibling –

Unsuitable. FILE NUMBER -BMT-4851

And we would kindly ask you to complete HLA typing for locus C and DQ as soon as possible and send the results to our Bone Marrow Transplant Center.

Regards,

Yulia Umansky

Bone Marrow Transplan Coordinator
