Happy to help prosecute SE.

but not interested in news stories
very busy schedule
available in a few weeks if we come
to meet

Tatum will prob not talk to you

- Something bad happened to me + I don't w/
it the best way I could

- NOT sure where phone calls came from

Thats a specific small detail I don't remember

- I remember larger details like
what his house looked like, what
we did

- I was harassed last time we
went through this by P. Investigators
and media

- we all got followed / watched / threatened
harassed

and any new vics need protection
because I didn't have that

- I only still talk to tatum, I see
courtney's mother sometimes
