Hi,

Sorry so late.. my phone ran out of battery. I have not had any contact with her. [REDACTED] you may call her if you've had contact with her in the past. If not, let me know and I will call her tomorrow morning.

Thanks,

Hi ladies,

I received a text from [REDACTED] who is an Epstein vic. Her number is [REDACTED] She has expressed that the suicide and the reporters constantly going to her house have really affected her and she is in need of counseling services. Could one of you reach out to her? She is located in West Palm Beach.

Give me a call if you want to chat about it.

Thanks,

[REDACTED]
