Hi ██████ and ████ - I was wondering if you could assist is with the below? ████ - █████ is an intern in our office and has been assisting us with the victim list?

Is there a way you could pull both lists and have ██████ cross check?

All of your assistance is greatly appreciated!!

Hi ██████ - we have the identified victims in VNS that the case agent has told us to put into vns. You do not need to do anything with VNS.

Thanks for reaching out-

Hi Lenny and ████,

Attached is the list I pulled from our Victim Notificstion System for the MM Epstein victims. I've not cross checked it with the list ████████ provided but expect it's the same. ████ if you want the MM victim list

imported into the NY case let me know. I'm happy to help with that if needed.

Thanks for all the attention to the victims in both of these cases. I'll be in touch with both VSs from the current and former case to make sure they have thr support needed from VSD.

As always let me know if there is anything I can do to assist.

Best,

█████
