[REDACTED], see below regarding the follow-up requested:

The meeting with Maxwell's attorneys was on October 8, 2019. I believe AUSAs [REDACTED] [REDACTED] were present along with [REDACTED].

Testified at trial:

Serial 329 – JE/GM vic in which she stated JE tells Trump that "This is a good one". She was approx. 14-15 years old. This occurred at Mar-A-Lago.

Serial 377 – (same vic from the above serial) states she was not a vic of Trump.

Serial 337 – vic met Trump and Trump was polite to her.

Serial 351 – [REDACTED] mentioned Prince Andrew where GM told her to make him happy; GM told her to do the exact same things to him as she did to JE. She described that GM told her she had to do to Glen Dubin what she did to JE. (Details on location were not discussed during this interview.) [REDACTED] mentioned Dershowitz but there was no context around it other than she knew his name.

For your reference the initial indictment of GM is attached, which included the perjury counts.

Let me know if I missed something you requested or if you want clarification and/or have further questions.
