Hi [REDACTED],

I recently had some discussion with ALAT [REDACTED] regarding a similar request. Not sure we will be of much help but happy to chat.

Thanks,

[REDACTED]

Thanks [REDACTED]. Apologies for their direct reach out. I'll speak with them and Met International Unit for future coordination.

[REDACTED], happy to discuss any time.

Thank,

[REDACTED]

Hi everyone.

See below on email from Met Police. I am no longer the SSA over that squad, [REDACTED] has the NY VCAC desk and Mandy Young (original NY Epstein case agent) is now in BA.

I leave it to [REDACTED] and [REDACTED] to figure out next steps but I will just add for [REDACTED] situational awareness, this request should be going through [REDACTED] in Legat London at least initially. I will connect everyone via email.

Thanks.

Subject: [EXTERNAL EMAIL] - FW: Operation Dawnchorus

Dear [REDACTED] and [REDACTED],

I am a DCI in the Met Police in London, and have been given your contact details by DCI Tariq Farooqi, who I understand did some work with you back in 2021 in relation to the cases against Jeffrey Epstein and Ghislaine Maxwell.

As you may be aware, there has been significant media reporting in the UK about (former) Prince Andrew and his activities both with [REDACTED] and efforts he has allegedly made to get information about her through his protection officers.

The UK media also appear to be in possession of certain material from the Oversight Committee, including flight manifests from when JE arrived in the UK with other passengers and further allegations around trafficking etc.

I am reviewing these allegations, and wanted to enquire if you still had any active investigations in relation to this matter, and if your team had any involvement in the Oversight Committee hearings and any material being presented there.

If it would be beneficial to arrange a meeting please let me know, or alternatively if you are no longer involved with this case, I would be grateful of any contact details you have for anyone currently involved in the matter.

Kind Regards

Ollie
