I'm more than happy to reach out to her. I can just call her or we can connect tomorrow. Morning would be better as I have an afternoon appointment.

I've cc'd an agent from that RA so that he's aware.

Thanks

Hi [REDACTED] - thank you so much for getting back to me and assisting. This victim just reached out to us this past Monday; but both the Case agent and myself spoke to her on monday. She is in extreme crisis and alone there.

Her name is [REDACTED] She just left me message hoping I was connecting her there to you. I can give you more details if are free tomorrow to chat.

Let me know what you need - we really appreciate your assistance!
