Can you give me a call when you get a chance, we need to nail down Maxwell's location and I wanted to see if she was still up there.

Thanks

I was updated A/ASAC [REDACTED] and SSA [REDACTED] on the info we received from Manchester-by-the-Sea regarding Maxwell's potential presence there and was asked to address this. I have a call in to the Detective who reported to us initially to obtain more accurate information.

When you have a moment as I imagine you are quite busy, I would like to touch base with to determine how we can best assist you, to include determining if in fact she is here and any follow-on action as you deem appropriate.

I can be reached via the below.
