Yeah I'm sorry. I was told to ask everyone to be in a suit. SDNY was asking for people to be on standby around 9:30/10 to help with victims before the hearing and to meet at SDNY.

Hi all,

Tomorrow morning there will be a hearing at 10:30 regarding the Epstein case. We have at least 20 victims coming with close to 30 upwards anticipated. SDNY has asked for assistance for agents to help with vics, support and helping with avoiding the press.

I know [REDACTED] has the early morn search, but if anyone is looking for something to do and around to help with the hearing afterwards, we'd appreciate it.

Let [REDACTED] or I know if you're able to.

Thanks.
