Attached, please find two photos take on our vacation in Sardinia, Italy. We also visited Paris, France as well. While at a beach in Sardinia I was just taking pictures of the view from a restaurant we were eating lunch at. My wife, Jan, believes the man in the photos to be Jefferey Epstein and the woman may be the woman you are looking for. However, I think you may have her already.

You may have to zoom in on the pictures as the couple was not my primary focus, I was taking the entire view.

These photos were taken on June 11, 2019.

After Mr. Epstein was arrested in NJ after arriving from Paris, our interest in these photos piqued.

If you should have any other questions, please do not hesitate to ask.

Thank you for your time and consideration regarding this matter.

Sincerely,

Mark Wojtowski
