That's the same email address she's using for her Amazon account, right?

Hey all,

See attached. We received the AT&T return for number [REDACTED]. Subscriber information returned to "G Max", user address 301 Summer Street, Manchester, MA, email "[REDACTED]". The financial liable party returned to Scott Borgerson. We believe this could be a phone Maxwell is presently using. Could we go up on a pen on this phone?

Feel free to call to chat to discuss if you'd like.

Thanks,
