Good Morning,

Thank you for your response.

As you live farther than 50 miles from your selected location, your transportation and lodging will be arranged at no cost to you. If you choose to drive to the location, mileage and parking can be reimbursed. As the briefing will be held in a federal building, we are requesting some personal information needed to meet security requirements. Please complete and return the attached 'RSVP Questionnaire' so we can better assist you.

Respectfully,
FBI Victim Services Division

[REDACTED],

I have copied our client [REDACTED] [REDACTED] to this email. She would like to attend the FBI briefing in New York on October 23. Please provide her with the details on time and location at your convenience. She is located in Louisiana and will need assistance with travel. She is willing to meet with the agents about her experience while she is in New York, which I will send a separate email about now to coordinate, but I just wanted to let you know in case that meeting impacts her travel.

Thank you so much,
