Dear [REDACTED]

1. Just saw This in the news - some additional background not anything to do with my own story this morning. : FYI

Coincidentally : just smething I know : T- o- n- y B- l- a- i- r -'s former private banker, at least , in past few years was ALSO Deutsche Bank out of New York and London who this article also references in conjunction with Epstein and money payments. <https://www.cnn.com/2020/07/07/business/jeffrey-epstein-deutsche-bank-fine/index.html>

2. On separate

note . Tabloids today cover page I also just saw (I didn't read it) said that S-t-e-v-e B- i-n-g knew E-p-s-t-e-i-n and has photo of them together. coincidentally I also worked for a company in LA B- I- n-g owned in the 90's.

B- I- Ng was Not a nice guy . but of course that pre dates my London story and Not connected to my own story I told you.

In addition L- I- z H- ur- l- e-Y (father of bings child) complicity dated / had a very willing affair with Clinton for 8 months I learned fairly recently in past several years , and recvd payments from him. Her accountant in London in the 90's was mine own - Nigel Clay and Associates. (who had no money to account for with me but he told me at the time she was getting payments for \$100000 from several sources) . I don't know her. And again totally different circle to my story as i was working hard and had horrible heinous stuff happen to me ... but maybe additional helpful in terms of C- l- I- n- t- o- n .

i learned when covering cyber crime that even reporting things like that can help and piece together larger patterns.

We girls who went through h- e- l- l deserve justice

Kind regards
