Hi [REDACTED],

Full disclosure I work SO, which might make scheduling difficult. I can assist, if the scheduling is flexible? Let me know- I dont want to inconvenience you instead of providing support.

Hi [REDACTED],

Some of the help we are looking for is helping with prepping for discovery and organizing everything in preparation. Most of the help we need is in house. I'm happy to chat in person or via phone to give you more details to see if you are interested.

Thanks,
Mandy
