Hey, totally understandable. I know your squad responsibilities come first. We are looking for some help in prepping for discovery and reviewing some audio recordings. The prepping for discovery is more urgent as we are looking at a timeline of end of August for some items and covers a variety of evidence items. It would be as your schedule permitted. If that seems to be too much, I'm sure at some point I'll have other things I need help with in this case as well. Happy to talk it over the phone as well.

Thanks,

Good afternoon [REDACTED],

I'd like to assist if possible, however I'm not sure what days or length of time you would require. I am currently on SO and probably could only manage a day or two out of my squad's schedule to assist. What type of work is it that we would be assisting on? Thanks for the opportunity.

Very respectfully,
