Completely understandable. I'll be back in NYC in a few weeks. I'll reach out then. Thank you!

Hey [REDACTED],

Most of the assistance we need is help in the office with evidence and discovery, which we will be working on for several months. If that changes, and there is something remote you can help with I'll let you know. Let me know when you get back from your TDY and you're still interested in assisting and I'll probably still welcome the help.

Thanks,

I'd be more than happy to help with whatever you need. However, I'm currently on TDY to Albuquerque for SO. Nonetheless, I'd be more than enthusiastic to help. If there are any remote opportunities, please let me know.

I'd like to work C-20 violations at some point in my career and find this to be an amazing opportunity. Please let me know if there is anything I can do to help.
