Importance: Normal

Thanks very much, this makes sense, and thanks for talking about this with me earlier. I'll send you subpoenas by Monday so that you can send leads out, and thanks for pushing this forward.

Hey [REDACTED],

So we are fairly confident we have pinned these 3 down and none of them are in the New York area. As you probably know [REDACTED] has made multiple attempts this year to contact [REDACTED] and has only gotten the run around from her. As recently as last week she has made an attempt with no call back even though her voicemail states her name is [REDACTED]. Given that [REDACTED] was recently in communications with Maxwell, and [REDACTED] was previously deposed we think it may just be best to subpoena all 3 of them. If you could cut us those subpoenas then early next week we can send out leads to the appropriate FBI offices and have them served ASAP. Feel free to call me tonight to discuss further, if not we can chat next Monday when myself and [REDACTED] are both in the office.

Thanks,

-Paul
