Hey [REDACTED]!

Following up on my last email. I will be at 290 early tomorrow morning before shift. If you still need my help, I can stop by and pick up whatever you would like me to work on.

Let me know what works best for you!

Hey [REDACTED], we would welcome the help! A lot of what we are currently working on is getting organized and prepping for discovery so there are a few projects that we are having to get completed by the end of August. Not sure what your schedule is like right now, but if any of that would work for you, let me know and we can go from there.

Thanks,
