Subject: Epstein/Maxwell FBI Disclosure
To: mimi tsankov <[REDACTED]>

Judge Tsankov,

Today, I reported myself a victim of the Epstein/Maxwell scandal to the [REDACTED] State Police and anticipate the [REDACTED] State Police will report the evidence to the FBI.

In short, I was housed in an Air BnB [REDACTED] for the past few months which is connected to Gary Faigan who founded the Gage Academy of Art in Seattle. Gary Faigan and his wife Pamela Belyea arrived by way of New Mexico after Gary was a professor at the New York Academy of Art. Epstein and Maxwell, of course, were huge financial contributors to the New York Academy of Art which I learned last evening watching the Netflix documentary which spurred my disclosure to the [REDACTED] State Police yesterday and confirmed my suspicion today.

My exploitation consisted of being flown to [REDACTED] upon a wrongful termination by [REDACTED] in Feb. of 2019 and, I believe, I was unlawfully videotaped having sex in this Air BnB. It is owned by an immigration attorney in [REDACTED] who, upon information and belief, exploited me to reach individuals such as you.

Accordingly, I provide this disclosure out of interest for your safety and health. While I have no evidence of harm directed toward you or any other professional contact I've made, I am operating out of an abundance of caution and would not alarm you so if I did not have evidence of a credible violation toward me.

Please call me should you wish to discuss the parameters further and, to the extent you are able, please remain vigilant and safe.

Kind regards,

[REDACTED]
