Hi [REDACTED],

We can accommodate that. When you write your concurrence to travel EC, just send in the lead that you request the assistance of LA for meeting room space. Do you need to record these interviews? We have a soft room here that you can use that has recording equipment or we can find you a conference room if you prefer. Are the interviews already pre-arranged for a set time so we can block off the rooms for you? We can arrange for you to get access to the building too so you won't have to be escorted.

Let us know what you need.

Thanks,

Subject: Visit to LA to interview Epstein victims

Hi [REDACTED],

My partner and I are traveling to California next week to interview victims for the Epstein investigation. I was hoping to ask for your assistance in using a conference room or soft room or interview room to conduct these interviews on Wednesday 9/18 and Thursday 9/19. I briefly spoke with AI and he said that you were the person to coordinate with. Would that be possible to have an available room?

Thanks for your help with this.
