Can you pass me all identifiers and contact info here please. It would be great if you had a WhatsApp number for her.

Please provide details for the meeting and whatever message you'd like passed. Myself or our Colombian National Police vetted team will try and track her down.

When you get the chance please send a routine lead to my attention with the above info referencing this email.

Hi [REDACTED]- I think we met when you were on the same squad as [REDACTED]. I am working on the Jeffrey Epstein case and have copied the Case Agent [REDACTED] [REDACTED]. There is a victim who lives in Bogota and we need to reach out to her to invite her to a DOJ meeting for next week on November 12th.

What do you need from us to proceed?

[REDACTED]- [REDACTED] will also be reaching out to you regarding this case.

Thank you in advance [REDACTED]!

[REDACTED], the victim specialist on many of my cases, is also working another investigation and needs to coordinate with you regarding making contact with a victim in Bogota. See below. I know you were traveling operationally thru today. Can you please reach out to [REDACTED] at the earliest convenience to assist her?

Thank you,
