I have no idea if that is an option for them. I will ask if that is accepted as an option. Some of our clients are also living in other countries and some are in the U.S., but live in areas where it will be unlikely that that they live in close proximity to an F.B.I. office.

Hi Gloria! Hope you are doing ok! Thank you so much for getting back to me so quickly! We have a call tomorrow morning with DOJ and I will give them this information to see if they have any alternative ideas. If available - would your clients be open to going to one of our local offices if they could view from there? I will ask if that is an option.

Stay safe and speak with you soon-

Dear [REDACTED]

Thank you for checking in about the briefing.

We have notified all of our Epstein clients including some who are not on your list, but who have spoken to DOJ prosecutors. To date, we have not received any responses from our clients indicating that they are interested in flying to Miami and or attending in person. I will notify you promptly if any of our clients plan

to attend. I do think that given Covid-19, that DOJ should provide some other alternative, like a secure phone line or a Zoom or similar link for victims to be able to call, rather than taking a flight. Requiring that victims appear in person to obtain this information seems unreasonable to me under the circumstances of Covid, and may be upsetting to them if appearing in person is the only way that they are able to learn this information.

Please let me know if there are any questions, and if a secure alternative can be provided.

Thank you so much.
