Hey [REDACTED],

I'm in trial prep with a witness today so I likely won't be able to get on the call. If there is anything you need from me let me know.

Thanks,
[REDACTED]

Hello,

Agenda for call below. I'm inviting a few others from my side to join the call since we will be utilizing them to assist with travel arrangements, etc.

ODAG folks – happy to add anything else you'd like to discuss.

- Packets for Victims
 - Seal or something similar for front of folder
 - General Resource (attached) we included in last year's briefing – would you like to include this or have Dr. [REDACTED] include something similar?
 - DOJ brochures or similar items?
 - FBI reimbursement forms
 - Executive summary (did you confirm w/OPR that you can send to us so we can print?)
 - Anything else?
- RSVP
 - Issues with attorneys not passing on information?
 - Any individuals requesting virtual experience?
 - Outstanding contacting information needed for any victim(s)?
- Travel
 - Marriott Room Blocks – ODAG – who needs a room and what dates will you need?
- November 11
 - Will anyone from ODAG need access to the Miami FO on November 11?

CALL 303-586-4335 OR 1-877-446-3914
