Tomorrow is a federal holiday. Between that and being last minute it may be difficult to find someone. But we can ask.

Hi [REDACTED],

Any chance someone would be available to bring the secure laptop to the MDC this Wednesday from 9am to 3pm, please?

Understand if it's too short notice, but wanted to check just in case.

Thanks

Thanks, [REDACTED]. We will send someone tomorrow to pick up the drive.

On a related note, we would like to schedule another review session with the FBI secure laptop at MDC. Are the agents free for a full-day session on Wednesday from 9am-3pm? Let me know if that works.

Thanks,

Counsel,

A hard drive containing a new discovery production in the above referenced case is now available for pickup at One St. Andrew's Plaza. Attached please find the accompanying letter. Please note that page 5 of the letter contains a disclosure regarding a witness statement.

As indicated in the letter, we are also sending this production, together with copies of prior productions that we have previously discussed, to the MDC for Ms. Maxwell's review.

Best,
