Hi Sigrid & [REDACTED] - I have done some research and spoke to [REDACTED] County Victim Assistance who told me they refer and work with [REDACTED]. They have trauma focused therapists who have assisted similar individuals. I will continue calling so we have some options but this felt like this is a great place to start.

[REDACTED] – please feel free to call me directly if you have questions.

I spoke to [REDACTED] and she was great. The number is [REDACTED].

Hi Sigrid and [REDACTED] I will work on locating a trauma therapist in your new area; and will hope to get back to you with a few days with some options.

Hello [REDACTED]

My client [REDACTED] who I have copied on this email, was very encouraged that you may be able to get her a trauma therapist to help her. I am clipping her new address below. She is also very interested in applying for any other type of aid that might be available to her. Epstein attack on [REDACTED] after she went to authorities was relentless and it ruined her [REDACTED] which was her livelihood and has caused her significant trauma. She has struggled incredibly as a result of Epstein's conduct. I would like to help her apply for anything she is eligible to receive including possibly lost wages if that is available.

We both greatly appreciate your help and dedication to these victims. If you need to reach her - [REDACTED] cell number is [REDACTED]

Best,
Sigrid
