[REDACTED] - below is the email I told you about earlier. I told them I wasn't sure since approval was needed prior to treatment. What else do you need?

[REDACTED] - she was at the meeting November 12th right?

Good morning [REDACTED]. I hope this email finds you well. I wanted to ask if we would be able to seek reimbursement/payment for treatment received by victim [REDACTED]. She is a Florida Epstein victim who does not have health insurance and has paid for her treatment on her own. Below is the name of the Counseling Center and the visits.

Oakbrook Counseling Center
Therapist Shelley Kavanagh, LCSW

[REDACTED] 1, but I do not have that invoice.

I have attached two invoices here. The first invoice for \$900.00 has been paid in full and the second invoice remains outstanding.

I believe that you have already interviewed the victim. Please let me know what else would need to be done to get this approved and paid.

Hope you have a wonderful Thanksgiving.

Thank you!

Maria K.
