Hi [REDACTED],

I hope you're doing well. I'm reaching out because we are approaching discovery deadlines in the Maxwell/Epstein case. Since you worked with [REDACTED] on the initial investigation and the subsequent Rodriguez investigation, my AUSAs asked that I reach out to you to schedule a call with them to touch base. They have a few questions and just want to make sure there is no lingering case information out there. Would you be available for a like a 20/30 minute call sometime this week?
