Hello all,

We have reason to believe that she was an Epstein victim who was recruited in South Africa and traveled to Epstein's residences in New York, Florida, and the Virgin Islands. We were planning to interview her in depth if she was able to attend the conference. She has a lawyer who has stated that she may have information that can help in our ongoing investigation.

We appreciate your assistance with this.

Thank you,

Greetings Johannesburg Consular team. [REDACTED], regarding the matter we spoke about today, please see the victim data below that needs to travel to the US for the victim conference. It is a mother and child that will be traveling.

NY Team....we are assuming this is a real victim and is heading to the conference to produce evidence or to be attached to the overarching complaint? If you can expound as much as you are allowed, please do so.

Hi Sigrid and [REDACTED]

Thanks again so much for the help with this.

I have the passport meeting for my baby tomorrow so should have a time frame in that then.

My Us visa has expired - I also have a British passport but that expires 24 November 2019 - so I thought maybe best to just get US Visas on our South African passports?

Thanks again

Kind regards

[REDACTED] - can you confirm the below.

[REDACTED] - I believe that is correct that both she and the baby need Visas to travel for the meeting. The baby also needs a passport and she has that meeting set for tomorrow.

Thank you very much for the help.

Hi Sigrid – I have reached out to our office in South Africa and waiting to hear back. They said they thought that it may be too quick but were going to check. Just to confirm both she and the baby would need a visa to travel here?

Subject: Victims' Meeting/Passport Visa help

Hello [REDACTED],

As I mentioned previously, my client [REDACTED] [REDACTED] is very interested in coming to NY for the victims meeting on October 23<sup>rd</sup> but she needs to travel with her infant son who is 8 months old and needs to get an expedited passport/visa if that is possible.

She has a passport meeting for her baby scheduled for tomorrow in South Africa. Is there anything your team can do to help her expedite this process so she can her son can travel to the US and attend the meeting?

I have copied [REDACTED] here so you have her email information.

Any help is greatly appreciated.

Best,

Sigrid
