Hey [REDACTED],

Thanks, I'm good. Hope you are too.

Absolutely, I can do a call this week with you guys. I actually transferred from West Palm last summer and am legal instructor at the academy now.

Other than class tomorrow from 8-11 and a meeting from 2-3, I'm good any other time tomorrow and anytime Friday except 9:30-10:30.

Don't know if any of those times works with you guys' schedules..?

Hi [REDACTED],

I hope you're doing well. I'm reaching out because we are approaching discovery deadlines in the Maxwell/Epstein case. Since you worked with [REDACTED] on the initial investigation and the subsequent [REDACTED] investigation, my AUSAs asked that I reach out to you to schedule a call with them to touch base. They have a few questions and just want to make sure there is no lingering case information out there. Would you be available for a like a 20/30 minute call sometime this week?

Thanks,
