You are the best! Thank you! As of right now I think our first would be at 11, so we would aim to be at the office around 10:15/10:30

Good morning [REDACTED],

We are presently in Miami for the Epstein victim meeting. We have victims who'd like to meet with us in WPB tomorrow. Is there any way we could get your assistance with using an interview room? I know its last minute so if it's not possible, no worries.

Thanks!
