I spoke with the National Police this am about your situation, without getting into the details or target of the case. I'm just waiting on a call back on how to proceed under their laws. They know we need a timely response. I'll try to keep this as simple as possible.

Thanks and I'll let you know when they get back to me.

Are you available for a phone call today or tomorrow? Might be easier to explain via phone.

Thanks,

Hi everyone,

I'm the case agent on an investigation involving subjects Jeffrey Epstein/Ghislaine Maxwell. We have a witness in Sweden that I'd like to contact via phone to introduce myself and see her availability for an interview, which we would like to set up as soon as possible. I wanted to make sure I conferred with you before doing so to make sure I was going through the right channels. I have her phone number but I do not have her address at this time.

I hope I'm sending this to the correct individuals; if I'm not could you please let me know who I need to be in touch with?

Thank you,
