Are you available for a phone call today or tomorrow? Might be easier to explain via phone.

Thanks,

Hi everyone,

I'm the case agent on an investigation involving subjects Jeffrey Epstein/Ghislaine Maxwell. We have a witness in Sweden that I'd like to contact via phone to introduce myself and see her availability for an interview, which we would like to set up

as soon as possible. I wanted to make sure I conferred with you before doing so to make sure I was going through the right channels. I have her phone number but I do not have her address at this time.

I hope I'm sending this to the correct individuals; if I'm not could you please let me know who I need to be in touch with?

Thank you,
