It's showing that there was one flight for [REDACTED] in January of this year. And one flight for [REDACTED] (booked by DOJ in Aug 2019). Those are the only two records.

No records for Maxwell.

Thanks for sending but I can't make heads or tails of this -- can anyone else? Or if not could we ask you guys to please contact United and have them either explain it or re-send in comprehensible fashion? (The alternative is we call a custodian witness to explain it to us in the grand jury.)
