Subject: USAO Epstein Press Conference

Hey there!

Add me to the list of VSs who are getting irate communications from our victims about not getting a heads up about this morning's press briefing in front of Epstein's brownstone.

I suspect that the USAO failed to let us know.... Whatever happened, can you let me know where the breakdown occurred and how they/we will be addressing it so that it doesn't happen again? I want to be able to discuss it with my victim ([REDACTED]) who is often the mouthpiece for many of the core victims. And I can tell you that they are discussing it and feeling angry and betrayed at the moment. Pretty understandable.

So anyway, looking for a bit of information to take back and make amends with. Any help you can offer is most appreciated!!!

Cheers,

[REDACTED]
